Sponsorship Program

# Sponsorship Certificate

Through your sponsorship you will be assisting in the care  
of "Bobo", an adult male Sun Bear.

Bobo is a male Sun bear and was one of the first bears to arrive at our sanctuary in Phnom Tamao Wildlife Rescue Centre, Cambodia. He was captured from the wild as a cub and kept as a pet in a bookstore in Phnom Penh until, at three years of age, he became unmanageable. His owner donated him to Phnom Tamao in October 2000. Now he lives a peaceful life surrounded by friends. He can often be found in his favourite spot at the back of the sanctuary, under the large boulders, shaded by trees and shrubs.
